

godsend
learning for mission

HOSTED IN WA 4 PM | AED TIME 7 PM | QLD TIME 6 PM | CENTRAL 5.30 PM NZ 9 PM

godsend downunder

join us as we launch godsend hubs and celebrate the release of the *downunder* version of godsend

Simon Goddard from FX UK joins us as we launch godsend hubs down under. Using a version of the godsend app developed for southern hemisphere communities, join us in a 21st century approach to discipleship. You will discover how to follow Jesus where life happens and start new vibrant Christian communities. The hubs work best when you journey with two or more friends, so register as a team. ‘An opportunity to reimagine the Christian life. Everyday Jesus followers like you involved in forming new vibrant Christian communities’

GODSEND DOWNUNDER APP STORY

The godsend app was launched in the UK in 2018 but we needed a version with our own voices and stories. Greg Ross and the team from Thrive Mission of the Uniting Church in Western Australia have partnered with FX in the UK to develop a version of the app for practitioners in the Southern Hemisphere.

With godsend *downunder* app we now have our own stories that speak to us and provides us with a digital tool to enable our participation in Gods mission wherever we are. The godsend *downunder* app gives us voices we recognise and stories and images that speak to us. Godsend Hubs are designed to provide communities of practice with self paced learning around the shared focus starting and developing fresh expressions of church. Our hope is that this process will equip and inspire you as you embark on your own mission adventure.
